GENERATIONAL DIVERSITY

Managers and organizational leaders are increasingly challenged with managing generational diversity in their workforces due to differing mindsets, work styles, and communication styles.

MANAGING & LEADING A MULTIGENERATIONAL WORKFORCE

Managers and organizational leaders are increasingly challenged with managing generational diversity in their workforces due to differing mindsets, work styles, and communication styles. This training will provide strategies and recommendations for recruiting, retaining, managing, and succession planning across generations while creating a work environment that aligns with the unique characteristics of the multiple generations.

LEARNING OBJECTIVES

Participants will be able to:

- Identify, describe, and differentiate generational cohort characteristics, communication, and work styles.
- Discuss challenges experienced when working with employees from multiple generations.
- Apply techniques to maximize workplace, employee, and organizational success across multiple generations.

DELIVERY OPTIONS

- 60-90 Minute Presentation- presentation of material
- 2- 4 Hour Workshop- presentation of material with engaging exercises
- 4-8 Hour Training- presentation of material, engaging exercises, resources, follow-up activities
